We will provide sovereign guarantee and secure the loan through taxes and non tax revenue. We can raise departure tax and tourism GST from current 6 percent to 10 percent. Maldives has never defaulted on any loans so far. Law requires that we have this approved by parliament before we receive a loan.

Hi
I talked to our finance minister. He is looking around to borrow upto 500 million dollars to be repaid over a ten year period preferably with a grace period of one year. Would be very helpful to know what can be expected under the current market conditions.

Thanks you.
Warm regards.
Waheed.

Dear Jeffrey,
Sorry it has taken a few days for me to get back to you. I am attaching a TOR for the expert we need.

Can I also ask you for some advice. My finance minister is trying to borrow about 300 million in the open debt market. He says the best he can get is at 6 percent. Currently we are selling 3 month T Bills to commercial banks here at 7 percent. Do you think it makes better sense for us to go for international borrowing as he

suggests.

Due to budget difficulties, we are also putting up a few islands for lease for up to 50 years. Let me know in case you any others are interested. Most people develop luxury resorts but few are now building luxury houses.

Thanks
Waheed

Thanks. Our police community relations are not well developed on gang violence issues. We can learn from the Caribbean experience. I will discuss it with our police.
Thanks.
