#1. I am on a plane to London landing 7:40pm local time...and Jeffrey is traveling too today....but if you do reach Gary's lawyer....please just email us a heads up.

#2. If you do locate the letter you sent Gary asking for the \$800,000. a few weeks ago, I would appreciate getting an email copy to this email which is secure.

#3. Again, thank you in advance for your attention.

Peggy
