**Subject:** Ticket for Karyna tomorrow

I have booked Karyna on a flight tomorrow just in case.  
Neither Amex Travel Concierge nor my own searches I did could find any direct flight. They are all sold out in coach and business (very unusual) so I took the next best thing.  
Connecting flight through Miami with a 50 minute stop over. The flight departs St THomas at 1.55pm.  
( I hope the layover is long enough, but as I booked through Amex they will help us out if necessary)

I will send Karyna ticket when I receive it
