He tried already few times, and in London I will be at the same time, attending few same events/parties.

Of course if I meet him I will be super discreet and careful.

Whatever you want

Boris,

I trust you are well - just wanted to check in on your plans before and during the Olympics.

I look forward to getting together properly for lunch/ dinner/ etc. in a civilised fashion. If you let me know when you plan to arrive and depart London?

In addition to you and I have an overdue-but-most-welcome chance to talk properly, I also want to introduce you if possible to Solina Chau, who is the life partner of Li Ka Shing - also the chairman of his foundation and she heads all the foundation's investments. (They were the co-investor with Microsoft in Facebook back in 2007). While she knows Bill, I mentioned you and she is interested to have coffee. She is in London from July 24th to 28th.

Beyond the Olympics.... as you say, I'm sure our paths will collide with surprising regularity.

Best wishes,

Ian
