any thoughts on rehiring Janusz - if so as of what date?
please note he was officially terminated as of May 17th and has been receiving his 10 weeks of severance which is due to end July 27th
his work while living on the property has been minimal during this period

my opinion is that he should do all of this preparation work and start immediately
please advise

Hi Rich, I need someone to help clean table glasses , tables, chairs around the pool and lanai and put cushions, some cushions are heavy. And clean glass sliding doors -first level and windows -second level.

I asked Janusz how long it took him to do the above tasks, he said a couple of days. And when Mr. Epstein leaves, the cushions are to be clean and put away.

I asked around and guys are asking for \$22.00 to \$25.00/hour.
I need this done before Mr. Epstein arrives.
Let me what you think on this.
thanks.
