So [REDACTED] and me will see you on the 15th.

I think she wants to see the Jeffrey blow-job. She got a feed-back from a guy about how great it was. He told her he didn't have similar for ages repeating consecutively for three times how great I was. Well, I learned from the best!

Answers to your messages tat my follow: Yes she is not new but new to you and she is fun. Yes I will have new.

Btw you are the only one left who still thinks that I am bad.
