She is crazy. Curious who told her that you are not paying her as I have not spoken to her or emailed her since we paid 3100. Please advise.

Good Morning Rich, I have been informed that Jeffrey is refusing to pay me for the work I so proudly did for him at the hangar. I dont understand how he is justifying this or why he would want to. Just doesnt make any sense to me, but, dishonest people never make any sense to me!!!! Have a great day!
