Suspicion locally? My thought was that this would be ok because it is specifically homicide training.

With warm regards,

Cecile

Subject: VIPD Training,

Sebastiano,

The St. Croix Foundation has developed a partnership with the New York State Police Academy to send two VI officers to their week long world renown Homicide Investigation Training Program. This is by invitation only. We have mainly have sent St. Croix Officers but have included St. Thomas officers in the past. We want to make this available to two St. Thomas officers this year. You can review the training on their website. (Williams Homicide Training Course) It is September 15-20 in Albany.

We need to Department to identify two officers, and the registration must be done by close of business Wednesday. (Registration ends Friday and I am leaving on vacation Thursday.) I am not sure of the exact cost, but the registration fee is usually \$800/attendee and we pay airfare and the first night hotel. The total has been approximately \$3500-4000 each year. We can register them on line from my office but need to have a source to fund all this. (My VIPD fund that we manage is depleted.) In the past, however, we have subsequently charged the VIPD training division and gotten reimbursed and created a revolving fund for subsequent years.

We look forward to working with you.

Roger
