the Sixth Amended and Restated Investor Rights Agreement, dated June 16, 2011, which is the document providing for the registration rights in this transaction, includes within the definition of "Registrable Securities" (i.e., securities to which the registration rights apply) shares of common stock purchased on or before June 30, 2011 by JPM Digital Growth Fund and 522 Fifth Avenue Fund and affiliates thereof. I understood we were getting the same deal? true ?
