Good Evening

The color was matched to the rubbish bin color as you directed Brian to complete Soundproofing - received direction/type from company

St Thomas

USVI 00802

painting color of shed is very very wrong,, who chose it.? the plantings are not to be anywhere near the bottle palms,, the corners near sundail needs more trees transplanted.. the dock handles are fine,, and the soundproffing looks much too small for deep noise. did we get advice on size of egg crates.
