Subject: Fwd: Can our Projects by Design team help new school in Haiti

Hi Cecile,

This comes from my recent article on The Edeyo Foundation in Haiti. It's from the largest school supplier in the US and they would like to help schools in Haiti. This could be a terrific resource for Edeyo. Any chance of putting them in touch with the head of Edeyo?

Thank you! Hope you are well,
Christina

Dear Sir or Madam,

I represent School Specialty (www.schoolspecialty.com) the largest school supplier in North America. May I be of assistance in furnishing and showing you manipulatives for your new school in Haiti? I am available to meet with you at your convenience.

Mitch
