Subject: Re: Dock box handles - July 24, 2012

you want to be able to open them without bending down,, and with room at the top so you don't rub your hand

Greetings Mr. Epstein,

I am going over shortly to take the photographs you requested today. Clement is standing by to attach the dock box handles, but is in need of the measurements for where you would like the handles attached. Danny and Monique reached out to Brice and Karen, but they did not know what you advised.

Respectfully,

Daphne
