Dear Phil:

#1. I did not get an email from you to date saying if you did get Gary's lawyer on the phone. Did you? Please advise.

#2. You mentioned, if they did not respond, you would ask for an accounting for my mother's estate since she died last February. If you did, may I see that letter?.

#3. Also we asked a few times for a letter you said you sent requesting the \$800,000 I am due above the split. Please send.

I am in Turkey...near Bodrum.
Please respond. Thank you again. Peggy
