Hope you are doing well. I've seen some recent articles about your philanthropic work re: science and education. Sounds very interesting and it seems that (well I hope) that the bad times are behind you as far as the press is concerned. Oddly, I received a random call from Story, which made me think of you guys (you/Sarah). I guess he is in training at some job at a bank or something....I think. Told me Sarah won't talk to him really. Gotta give it her her...girls got some will power. Anyway, just wanted to say hello.
