Andrew -

I hope you received my voice mail.

We need more time to evaluate our ability to finance this deal which is a value proposition you clearly want from us before you embrace us.

We have made no decisions on who to work with until we know we have something to offer.

You guys are clearly a key player and we are focused on that.

I think we can have an answer on confidence around the financing appetite next week.

I wish I could move it faster.

Speak early next week.

Best
M
