Also [REDACTED] just sent me the email, she can not call you because of her phone issues, and I am not there at the moment, she said she feels good, she's been exercising, went for a walk and reading now, I can get home now and give her my phone, or if you prefer me to go check the shampoos

I can not reach them on the phone, automatic voice says it's a design company, the other number is not in service, would you like me to go there and check? Is there any specific shampoo you'd like me to find?
