Dear Jeffrey,

1. On Thursday, June 28th, I am going to go to Williamstown, MA to see a play starring Blythe Danner, Finn Wittrock and directed by Bob Balaban. My driver is driving me up Thursday afternoon after I take David Koch to have lunch with editor, Rick Stengel of Time Magazine.
2. The only way to get to the Hamptons on Friday is by twin engine charter from Pittsfield to East Hampton. It costs \$1,136. Would you be a doll and help me out?
3. I am going to Europe for 2 ½ weeks in July. So far, I have a free ticket there and I'm working on the return.
4. I'm going to the South of France, Aix to stay with Frederic Fekkai for a few days.
5. I'm meeting Jacqui Safra and Jean Doumanian in Paris for our birthdays and may go to Positano/Capri for a few days.
6. I am going to Patmos somewhere between July 21st and July 23rd for a week to stay with my friends, Olga and George Votis.
7. My bed and board is taken care of. I may need one ticket home from Athens.
8. Haven't forgotten the accountant, the lawyer and the dinners. More info to come on that tomorrow.

xoxo,

Peggy
