[invoice march 2012.doc](#)

hi jeffrey,

.. i want to ask you something if you dont mind.. i have two old unpaid invoices i've sent to rich kahn before but he didnt say anything about it.

one is from april this year, i worked at the house making those samples for the entry area, and the invoice \$1,515 (march 12th to march 16th, 2012)

and the other one is from june 2010, i worked at the house making those big samples for that round room near the entrance where [REDACTED] has her desk, and then samples for the ceiling for the room where the tiger is and many samples for the furniture in the room where the piano is. it was that time when [REDACTED] brought that interior designer..i forgot his name. they asked me to do a lot of samples at that time..

anyway, the invoice for that period was \$6,000 (may 23rd to june 21st, 2010) . this invoice i've sent to rich kahn at the beginning like two three times then i gave up..i didnt need the money, but now they would be helpfull.

the total amount is \$7,515

i attached here the invoices. sorry for sending directly to you the invoices, but i've sent them to rich kahn like two times, but he didnt answer back..

thank you,  
ion

ps do i have to go back at the island soon, or is there another project for me to do soon? thank you.
