Subject: Photographs - June 19, 2012

Greetings Mr. Epstein,

I will be on leave beginning June 26 to July 3. Anna will take the photographs. We went out together this afternoon, and will continue to do so until I leave. We will go over tomorrow to take the photos of the rusted equipment per your request, and each and every item on the present Punch List, so she can become familiar with the projects and progress.

Respectfully,

Daphne
