hey xuxu. I need advance because ,I don't know what to do ,do u remember I told
you about my boyfriend
and he is changing all his business life for me because i don't want my
boyfriend to work at night ,,
So anyway he has a lot of network and he is very smart, everyday he
has very important people asking him for real estate, commodities or
where to invest etc but i think he need a structure to work first
because from night life to day life i think its different,,i told him
that and now he want to invest in a company to have the possibility to
work with them and use his network and develop the company but i think
its wrong and too early he might loose the money and i told him that
but he think its the only solution to be able to work in september and
because he was very successful in night life he think he will the
same but too much confident sometime not good ,,,Me i think he should
learn how to use his network , work with somebody for a little bit and
then start invest ,,,so what do u
think i should do?
