Hello Jeffrey.

I received another email which is the response to the one where I bcc'd my uncle (and he was copied in the response) with more details in this one:

Apparently he wasn't even in Paris but in Mougins (I guess he left friday night but they didn't specify it)

And they also say that next week they'll be in Yamoussoukro the other capital of the country but I should contact him at the end of next week for a date after that.

As I told you before he wanted to see you again, they were just really busy with everything that was happening.

From what I heard he even talked about you to all the ministers (reunion of all the ministers weekly) so there is no reason why they would have any problems. And he thought you were great (he told me that).

People around my uncle are very very slow to respond and I hope this won't discourage you! I hope you are not too disappointed and that you'll be able to go to Abidjan during your trip (from their part they want you there).

Thank you Jeffrey

Hello Jeffrey,

Sidi just told me that he is sorry but their schedule is very very tight and they couldn't have an availability for today.

Bu he said that when they go back to Abidjan, he is going to work on an appointment for you there.

I am really really sorry! I wished you could have seen him in Paris.

If I have any other update I will let you know.

Thank you Jeffrey.

Nina
