really focus and go to all the castings...
> Now on the other hand today i didnt have any casting to go to and tomorrow same
plus yesterday i went to 2 casting that was so so...so my point is you are the

best in the business and i know you can really make things happen if u want to
and i think i can keep up with the level so i would suggest that u send me to
more casting with a higher level so my capacity and potential as well as yours
are really used with efficiency..i would also like to meet all the big clients..
> So obviously you will tell me to be patient but lets face it we can do better
than that together as a team no?
