Consistent - this is your email from March 8: "*re ny im not suggesting you move from ny , , I heard you loud and clear but would not be unhappy if you decide to leave 66 th st.*"
Best - ...you are suggesting a 'job' instead of a career or help with a business that could actually offer some financial independence?
Advice - "move out and get a job" sounds more like a punishment. For what, I really don't know...

Yes there is no doubt you have provided financial support and I greatly appreciate it. I thought you forwarded it to me implying an interest in what it was used for...my mistake.

its a great deal of after tax money, and that is in addtion to great help before then, im not sure why what the money was used for is relevant . I recognize that you are sensitive to my best advice , but as i said it is consistent and formanyyears has been the same, .i think you should move out of new york and get a job.
