I there something I can do ? I am a friend,, I don't give a shit about money or maximizing value, I care about quality of the small amount of time we both have left to really enjoy and play.. quality every day, ,, putting it off untl.//////// many different excuses, will be wasted.. you are very frugal with your money, and genrious with your time, I suggest you reverse those two things. if you sold for 2 billion less. but spent an additional year , moving towards a no pain existence, it would be 2 billion will spent.. . tax, more acq , sales. is i would postuclate is not a maximum use of time.
