In my last email correspondence with Terje, he said he will be in Paris on June 25th and suggested having dinner in Paris...would you like to set up a dinner some evening? (reminder you have Woody Allen's movie premier the night of the 25th)

from Terje:

Dear Lesley, sorry, I'm leaving for Athens today, will be there on 18th. Will come to Paris on 25th. Suggest dinner there.

Warmest

Terje
