Meanwhile, **Corcoran Group** agents **Paulette Koch** and **Dana Koch** have a contract in place for a five-bedroom, two-story house at 302 Caribbean Road near the northern tip of the island. The mother-and-son sales duo had listed the house for sale last November at \$7.495 million, later dropping the price by \$100,000. Property records show **Thomas D. Mottola** and **Ariadna Sodi Miranda** bought the house for \$6 million in June 2008, the same year it was completed. **Wittmann Building Corp.** had developed it as a “spec” house with 8,657 square feet of living space.
