Good morning! How r u? Im not sure if we can do this week. Cuz [REDACTED] is leaving on sunday now instead of wed. Even tho he is prob gonna go upstate tmrw, i cant see u because i will go upstate prob thursday and problem is that it takes 24-36 h for my body to lose ur smell. Maybe it sounds weird but every time after i see u i can smell u on my body, even the next day. Im sure u know what i mean. So im afraid [REDACTED] would notice. Until when are u in NY? He is back on 28th.

Also im thinking about IUD, copper or w hormones. What do u think? It just sucks using condoms.
