I need to rely on the three of you to follow up and to follow express directions without the oft repeated caveat ( but I thought.....) .. I just learned that frances did not go to the island as planned. ? jojo was on his way to the airport with my tickets to the premier. , needless to say the apts are way way behind,.. re the picture frame in santa fe for the slaughter of innocents. no idea., wood furn for kite house , no idea.. photos for island, not done . virtually no progress in paris apt since i left. .. none. . I have given all three of you , much free time to insure that you have your own lives. lesley child time. [REDACTED] and [REDACTED] boyfriend time.. I am willing to sit with each of you seperately ,to discuss, . food arrives everyday on time and ordered. very few , I forgot to order. , it din't come. I m waitng for the restaurant to call me back, ive emailed them but they havn't responded.. IT gets done everyday, multiple times a day. We should review individully what the respondibilities are, measure the completion and figure a way that this becomes better with time
