Subject: shirts

Did not have time to explain you re Croatian's flag – and I am afraid that I might sound strange.

I really love those shirts – THANK YOU!!!

I really like BN

What I mentioned you is that I will take off Croatian flags.

Not sure if I ever told you a story me and my family going through the war. It was not pleasant at all. I felt as close to a Jew living in Germany during second world war as humanly possible. I (and my family) survived but I will not get caught dead wearing some of these flags.
