I spoke with Manolito. He says [REDACTED] is on vacation and due back (he believes) June 18th. I have left [REDACTED] a message and emailed her as well re you wish to speak with her. Manolito is working in the field. He says he sometimes does not have great reception. If we could give him a window of time you would like to call he can be sure to make himself available in a good area.

Would you like to give Mano a time you will call him on his cell?
