Jeffrey,

Thanks for a fascinating lunch. I enjoyed it a great deal.

Moreover I'm really happy with the model that you revised based on Chamath's initial idea of the 5 plus 10. The corporate (Spac type) structure is so much better than a fund, and the concept you just drew out on the whiteboard is the perfect iteration of that.

I look forward to discussing more later on, between dictators, and also putting it on paper in the days ahead.

Also I'd love to meet Boris if it makes sense.

Best wishes,

Ian
