The building must reset my phone ..it is not allowing me to leave my own personalized message. I am told a manager must come to reset the phone and it should be done by tomorrow.

When I forward the [REDACTED] phone line to our new office phone, the building's voicemail pick's up if it is not answered. I can leave my own message...what would you like me to say?  
"Hello you have reached [REDACTED] in Jeffrey Epstein's office (*or do I not mention you??*). Please leave a detailed message and someone will get back to you as soon as possible."

Please let me know *if I should or should not* leave your name in part of the personalized message.
