Hi Jeffrey,

I've opened up your blog to comments and added a guestbook to your .org website. I also started a discussions forum at: www.jeffreyepstein.us. The first post is called 'Always Asleep'. There is a link to it on your .org site.

The forum needs to be formatted and optimized which I'm working on.

I will send your lawyer an update on this.

Your website www.jeffreyepstein.org is now on the first google page. I am working on getting your science site on the 1st page as well.

I have two articles which I will send to you and that will go to press.
