She will be billed when all the other students are billed for tuition and fees. She will be issued an ID card when she registers, which is how things are done.

Tell her not to be concerned as all is fine; the academic dean has communicated with the registrar, and Karina has her list of courses and clinic responsibilities.

We are good here...

Spoke with the admissions dean. As we understand the situation, all is fine, and Karina will join us in September. Visa is not an issue due to her special status. Please confirm with Karina, so I can be sure all is fine before I leave.
