I just reviewed with danny.

He has been busy.

1. Finish wiring 5 Palms
2. Finished up lights on Parrots
3. Today he is moving temp. generator to another location. need generator for AC. Bill is starting floor today.
4. Brice is going out today to get down lights for building so Danny can install tomorrow
5. He installed corner lights on flag pool pool yesterday

I want to work Danny Sat. on OT with 2 workers. I sthat OK? If conduit gets here Friday afternoon I want to get installation going ASAP. Monday is a holiday so no one will b here.

Craig
