Vera discussed how figure was calculated not why you used 18% interest rate rather than 24% default rate

Please send missing funds 6000 vs 4437 in addition to next interest payment in the amount of 6000 that was due on June 11th..

Paperwork to do transfer has been ready for weeks now however it cannot be done with proper payments made by you in a consistent manner

can you please explain your wire in the amount of \$4,438.36  
i clearly explained that monthly default interest was \$6,000  
if you planned on sending a different amount shouldn't I have been notified...

Perhaps there is some confusion but I did not  
receive \$6000.
