OK
Understood.
I will speak to him when he calms down to see what his intentions are.
Yes; they have too much info in their heads. As you said we need to get that info published so that anyone can handle.
Island needs standard SOP manuals for each area. We can get these going in June after we move contractors out.
No the first shipment of glue is MIA. Trying to trace. Also glue needs to come with new replacement mirrors.
Still looking into damaged mirrors. From what I understand only one came from factory with a scratch. The others were ruined by the glue yesterday.
Need to get Tom and Bill in same spot today to verify.

It appears that Brice is using wendys landscape inquiries as another reason to leave. I think he and karen are paranoid about something. please handle. if they need to transistion after summer I understand,, maybe they want to move back to zorro. oversee work etc. I assume they will help in finding a new couple for the island and train them if their decision to leave is firm. re glue, understood, did the 16 tubes of glue from the factory come. ? we should have manuals for the isalnd electric desal irrigation etc. boats. cisterns , I
