JE sent me the spec.
Sarah confirmed size and shape.
Bill worked on price with Ismail, I spoke with Ismail on the phone.

This is a custom piece. Oversized to go around tapestry. He has to buy special tools to make. Short time period to get. This has been kicking around for a few week between Sarah, Je and Bill.
So unfortunately I think we need to order, unless Monique or somebody knows a specialty wood shop.
Want to install before the first.
Open for ideas.
Craig

Bill,

The quote is attached. I can do it free hand it would get it done in next week but because of freehand it will not be perfect. I can make custom knife and make it but it would take 3 weeks and outcome would be perfect. Let me know. Thank you for the opportunity.

Best regards,
Ismail Unerli
