Understand but each property requires requires different knowledge and the this will take time

I have spoken with Janusz and they understand your concerns, they will continue to do the best they can noting that they can't take complete ownership of the property and are limited by things they cannot change yet

Ok understand, I clearly relied to strongly on the fact that Janusz has worked often in NYC and would know more

They both worked very hard at getting areas organized and cleaned but without touching the areas that would upset Lynn

So what direction do you wish to take moving forward? Do you wish to employ them for NYC or pass on this

Thanks
