Nothing else. Nothing more.

As for the other stuff its so out of whack its not worth my time. If you want to abuse me
make it worth my while....

The problem with you is you think of yourself as a Prize that needs to be won. You're
Not. You're a human being like everyone else with flaws and greatness.

Get over yourself already, I love you to death... Silly.

Hi Jeffrey,

I hope all's well!

I haven't emailed you because I haven't known what to say, it's taken two months to let the disappointment of CA move through me.

The whole episode left me feeling entirely dissulisioned as to the value of our friendship.

For whatever part I've played in this, please accept my apology.
