Jeffrey,
this is the final invoice for the annual inspection completed at PremAir Helicopter in London,.we only owe \$33,348.31 very impressive final invoice, initial payment of \$86K to start the project and since the helicopter was in good condition and I was able to avoid the \$71,000 overhaul cost of autopilot servos, the balance **we owe is \$33,348.31**
recap, annual inspection cost was \$119,348.00 total,

is this approved for Rich to wire funds?

thank you,
Larry
