Arran recieved an offer of 10,000 for cement tanker and tractor head  
we where asking 10,000k for tanker, tractor head is toasted  
please note tanker has been dropped twice on the barge  
tanker will be off island in storage during your visit, we need tractor head for removal of last  
40ft container which will be next week, then it can go

If we ever need in the future to have a 40ft container brought to the island, boyson will be  
used for delivery

The buyer is Mr Morehead of heavy Materials, he is also interested in other pieces of  
equipment  
we should recieve offers next week, on ford ranger, bobcat, etc  
he will also be forwarding contact info for potential buyer for batch plant

do we accept the offer for tanker and tractor head
