Jeffrey,
I spoke with Darren tonight and he brings up a point regarding the additional middle seat in fwd divan. Gary told Darren the Toy store wants the final 25% payment before they will release the helicopter, the approval for middle seat belt for fwd facing divan most likely will not be received when interior is completed. If the Toy store does this modification in a way that approval is not received, we would have paid in full for interior in order to put helicopter in service. Do you want Darren to include verbiage for your protection? or other option is delay acceptance until all approvals are obtained for your protection, Gary indicated to Darren they will not release the helicopter if we hold the final 25 % payment to the Toy Store, pls advise, no work will be completed until contract is signed and deposit is received at the Toy store,.

Darren, please correct me if I'm wrong in my statement?

thank you
Larry
