It is not that I don't believe in you I think you are great and can do very well. I have no doubt in my mind. You have high expectations and you are right. It is true that I told Jeffrey that by not living in NY will be a serious handicap. The market has changed a lot in the last 3 years. If you are not in town clients don't bother and I am afraid that you will be disappointed. That's all.

I will be home today my back is not too good
