Still in Dubai..going to Abu Dhabi today for lunch with the founder of Blackwater. We met Sultans brother yesterday and saw his classic car collection which was pretty cool. Not sure where we are headed from here, but hopefully going to Europe tomorrow. It's been a pretty chill few days..jet lag has me in a daze. We are staying with a couple who live on the 98th floor of the Burj Khalifa. They are very nice..moved here 3 months ago from NY. He's an ex- NFL football player now working at Goldman Sachs and she started a recycling company with a few of her friends in Saudi Arabia. And all is great with B :)
