Subject: Punch List - May 2, 2012
[JE Punch List May 2.docx](#)

Greetings Brice and Tom,

Have you had a chance to review and provide dates for the items on the Punch List that do not have dates as yet?

I have re-attached the punch list, with updates regarding the delivery of the desk from NY, the mirrored siding to STT and the new date for the Midnight engines sailing from STT to FL.

Sarah is working on the items that pertain to her.

The balance of the items I leave with you.

Item #8 - "Entry tree lights - lights on site" has been on the punch list for 3 weeks without a start or completion date. JEE pointed this out and is very firm on having dates for this, and each and every item.

Please do not hesitate to call or email me - I can type in the dates for you if you give them to me, so the punch list is as complete as possible.

Please advise, DW
