Jeffrey requested that I forward this to you,  
this is for removal storm shutters for the large windows x 2 at 5 palms and the exterior doors to the relax room bathroom and relax room itself  
These are not permanent shutters, they will only be installed in the event of a storm  
this does not include the large 15ft door shutters which are in design phase  
estimated cost 19k  
any concerns please let me know
