resent you Weinstein's last email. Yes, was planning on traveling this week. Once I found out you had wanted the shields sent down to LSJ, I had them sent down.
Not sure what you want to do about dining room photos. Sue thinks the reason the previous LSJ photos were so blue was the settings were played with; she has since reset the settings to automatic. Would you like her camera to go back down with you to LSJ?
I had a voicemail yesterday from a gentleman from Christian Dior asking me to call back and when I did, Doris was not there. She has not responded to my email requesting a better number to try her on. Will try showroom again now and see if she's in today.
