Hello my dorogoj Jeffrey!

I hope you are well...

I was hope that I will never necessity to writing to you with an asking, but I really don't know who else can help me but you.

Jeffrey, my skin is getting worse and worse... I using all this gels but it's never helps. Pimples everywhere - I feel it on my breast and back, even neck... The skin is so oily... I feel so depressive and shy with people... I can't modeling... Please, help me please, can I see dr. Victor again? Please...

In any case, regardless of your answer yes or no, I'll always happy to see you and your cookies waiting for you when you let me know. I also always remember everything you did for me and I will always grateful.

Whatever happens, you've discovered a lot to me and I'm glad to know you.

a lot of hopes for your help in my trouble,

your dorogaya
