How are you?

Ian never replied the email...

By any chance do you know a place where I could live for a while in London? I started a new job last week, and I need to rent a room now...I can't afford on my own a good room, safe area, and was thinking to share a room and expenses with a good girl friend who's in the same situation as me. We tried online websites but if it is not a friend of a friend, or connection won't consider 2 girls in a room.

If you have any idea would help a lot.

Hope to see you soon!

Kisses
